Suggestions	<p>This is our <i>vin de soif</i>, a wine that is very easy to drink, goes well with or without food and doesn't need ageing.</p> <p>Enjoy as it is, with or without friends! For food pairing, try with charcuterie and cheese boards, pizzas & pastas.</p>	

Le Petit Coucou is a wine that is so easy to drink, you'll want to open another bottle after the first one. Filled with fruity characters - yum!
