

ROSÉ DE CAR SIN 2022

AOC	Bordeaux Rosé		
Varieties	Merlot 100 %		
Alcohol	12 %		
Res. sugar	0,5 g/l		
Vinification	Made from our organic Merlot vineyards, picked early for natural freshness, fermentation in stainless steel tank.		
Ageing	Short maturation on lees for 3-4 months in stainless steel tank.		
Style	This wine has lots of red berry aromas such as wild strawberries and ripe raspberries on the nose. It has a crisp acidity, but leaves a fresh and fruity taste on the palate.		
Suggestions	Rosé de Carsin is a great drink for summer picnics, brunches and is at its best when consumed with food. Try with small bites such as tapas, charcuterie but also barbecue food!		
Notes	Golden medal from Concours International de Lyon 2023		

Rosé de Carsin is the perfect wine for a simple and casual aperitif. This wine is not too serious, so just relax and enjoy!
