## Rosé de Carsin 2021

- Vin de France
- Merlot 100%
- Residual sugar 0g/l, alcohol 12%
- Crisp, fresh rosé filled with aromas of red berries
- Picked by hand, all pressed grapes (no saignée), fermented in a cool temperature in stainless steel
- Wonderful wine for picnics, brunches, BBQ parties, actually for almost anything!
- Our own favourite recipes to combine with rosé are gazpacho, steak tartar and bouillabaisse soup.
